

Please note only a parent or legal guardian can consent or refuse consent for young people aged 12-15 years of age. Read more about consent on the HSE website https://bit.ly/ConsentU16. Young people aged 16 years or older are legally entitled to consent for themselves.

The young person will also be asked by their vaccinator whether they agree to being vaccinated.

Consent to vaccination covers the course of two doses of vaccine over about a month.
